All records shall be complete and current and comply with all contractual requirements. Failure to maintain acceptable records per the preceding requirements shall be considered grounds for withholding of payments for billings submitted and for termination of the Contract.

- G. Contractor shall notify County in writing of any change in mailing address and/or physical location within ten (10) days of the change, and shall immediately notify County of changes in telephone or fax numbers.
- H. Contractor shall notify County of any continuing vacancies and any positions which become vacant during the term of this Contract which will result in reduction of services to be provided under this Contract. 1. All applications and records concerning any individual made or kept by any public officer, public agency, or Contractor dealing with the administration of any provision of the W & I Code relating to any forms of public social services provided under this Contract shall be confidential and shall not be open to examination for any purpose not directly connected with the administration, performance, compliance, monitoring or auditing of such services.

Indemnification - The Contractor agrees to indemnify, defend, and hold harmless the County and its authorized officers, employees, agents and volunteers from any and all claims, actions, losses, damages, and/or liability arising out of this Contract from any cause whatsoever, including the acts, errors or omissions of any person and for any costs or expenses incurred by the County on account of any claim therefore, except where such indemnification is prohibited by law.

The policy shall have combined single limits for bodily injury and property damage of not less than one million dollars (\$1,000,000).

- 6. Proof of Coverage - Contractor shall immediately furnish certificates of insurance to the County Department administering the Contract evidencing the insurance coverage, including endorsements, above required prior to the commencement of performance of services hereunder, which certificates shall provide that such insurance shall not be terminated or expire without thirty (30) days written notice to the Department, and Contractor shall maintain such insurance from the time Contractor commences performance of services hereunder until the completion of such services. Within sixty (60) days of the commencement of this Contract, the Contractor shall furnish certified copies of the policies and all endorsements.
- 7. Insurance Review - The above insurance requirements are subject to periodic review by the County. The County’s Risk Manager is authorized, but not required, to reduce or waive any of the above insurance requirements whenever the Risk Manager determines that any of the above insurance is not available, is unreasonably priced, or is not needed to protect the interests of the County. In addition, if the Risk Manager determines that heretofore unreasonably priced or unavailable types of insurance coverage or coverage limits become reasonably priced or available, the Risk Manager is authorized, but not required, to change the above insurance requirements, to require additional types of insurance coverage or

higher coverage limits, provided that any such change is reasonable in light of past claims against the County, inflation, or any other item reasonably related to the County's risk.

8. Any such reduction or waiver for the entire term of the Contract and any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Contract. Contractor agrees to execute any such amendment within thirty (30) days of receipt.
